〈1〉 vidhikasa

Translation

Of Vidhika.

Commentary

〈1〉[1]

[1]Two pillars are reported in ARIE 1959-60 to bear the same pilgrim's record (B.74 and 75); we were able to photograph only B.74 in Mysore, and it shows the same inscription as Sarkar's plate II. Note occurrence of the proper name Vidhika in EIAD 20 and 86.

Bibliography

First described in ARIE. Re-edited here from the published estampage and after autopsy of the stone.
