Bibliography

ASB, as one of 4 tablets with short Pyu inscriptions, all from north of the palace in Sriksetra; each is transliterated. The information is more or less repeated in a much later report (in Burmese) in ASB. Mya 1961a (also in Burmese), includes the tablet in his inventory, with no change to the transliteration, as does an overview in Luce 1985, pp. I, 155.
