Summary

This is damaged and incomplete and seems to record an endowment in land for the maintenance of 12 servants in the temple together with 2 *kaṇkāṭṭi* (supervisors ?) and 2 gardeners, made by **Ulagaperumāḷ** (king) at the request (of the residents of the village or the temple authorities ?). The early script and the high regnal year of Rājakēsarivarman seem to point to **Āditya I** as the king intended.
