Summary

This is a record of **Āditya I**, mutilated at the right end. It seems to register the gift of a golden fore head plate (evidently to an image in the temple) by a lady, the wife of (prince) **Kannaradēva.** The gift was left in charge of the *nagarattār* of Maṇavūr. Kannaradēva is surmised to have been **a son of Āditya** and brother to Parāntaka (*M.E.R.* 1895, p. 5).
