Summary

This inscription is engarved in Vaṭṭeḻuttu characters of the early 9th century A.D. It states that a certain **Nambirāṉbhaṭṭa-Sōmāśi-Parivirājakar** renovated (*pudukkudi*) something, which refers evidently to the *maṇḍapa*, where it is found. Though no king's name is mentioned, the record may be attributed to the early Pāṇḍya times.
