## Summary

The writing of the inscription seems to be of about the 15th century A.D. It is incised in a space of about six feet between two palmyra trees which bear a small horizontal arrow in their middle portion to indicate the length. It states that this is the linear measure of the *nāḍu* for the lands of the *brahmadēśappaṟṟu* (Tiruppanaṅgāḍu) of Tambirānār.
